Our Mission:

North Shore Academy of the Arts, Inc. (NSAA) is a not-for-profit company dedicated to offering high caliber opportunities in the performing, visual, and literary arts to all ages. It is designed to encourage, inspire and promote creativity while fostering a cultural appreciation of the arts in our communities. NSAA promotes a sense of self worth, responsibility, and strength of character while providing individuals and families the means to recognize and develop talents, interests, assets, and aspirations. Beyond the arts, NSAA strives to build healthy communities through the development of positive values and a commitment that will be evident across all cultural and socio-economic groups.

Fundamentals of Music Theory

Target Age: 12-18 years old

In order to gain a deeper understanding of how music works it is essential to examine its elements. Beginning theory students solidify their musical literacy and learn about the fundamentals- of general notation, pitch relationships (intervals, triads), scales, rhythm and meter. This class will allow students privately studying an instrument, the opportunity to put musical principals into practice. If you've learned to make music, but never READ music-this is a great class for you. Theory fundamentals will allow you to decipher the music in front of you! Theory can be fun and engaging! It is the meaning behind the notes, and it is what gives music action and life.

Instructor: Lisa Kitzke

The Arts Mill

Is home to artist's studios which are open to the public.

In one space, an artist creates displays, discusses, and sells his or her artwork. Not only can one shop for original artwork in the studios, one can also get a first-hand look at the artistic process. People can find out the story behind a work that catches their eye or talk with the artist about how it was created. Visit our 3rd floor gallery where exhibits rotate every 2 months, or attend an art opening.

Visit The Arts Mill today where there is always something to do!

Produced by our creative team: Directors, Sheri Bestor and Debbie Knuth, Choreographer Kathleen Fictum, and Music Director Angela Mack. Acting coach, Alisa Venus, will work with all cast members teaching them drama and theater skills that will last a lifetime.

A delight for children to perform, Seussical is now one of the most-performed shows in America! In this fantastical, magical, musical extravaganza, Tony winners Lynn Ahrens and Stephen Flaherty have lovingly brought to life all of our favorite Dr. Seuss characters, including Horton the Elephant, The Cat in the Hat, Gertrude McFuzz, lazy Mayzie and a little boy with a big imagination--Jojo. "Oh, the Thinks You Can Think" captures the show's spirit of imagination, as the colorful characters transport us from the Jungle of Nool to the Circus McGurkus to the invisible world of the Whos. General fee includes costume fee but does not include \$35 Script & CD Fee. No Refunds, no exceptions.

Imagine Me in the Arts

Programs for Preschoolers
Target ages: 3-5 years old

I'm a singer, a dancer, a writer, an actor, a painter, a drummer...IMAGINE ME!

Our Imagine Me Programs for preschoolers are designed so that children can explore their individual interests, socialize with other children, and express themselves in creative ways in an enriching environment. Stimulating imagination, each course has an emphasis on an art discipline while all are based on discovery learning that will build self esteem, foster creativity, encourage expression and support interests and exposure to the arts through process vs. product. Choose one course, select a few back to back, or register for them all for a balanced enrichment program. Developed for the preschool child who is potty trained and interested in being exposed to an environment without an accompanying parent.

Mini Michelangelos (focus on visual arts-sculpture)

Expression will be nurtured through hands on mediums. Students will create from materials such as clay, paper mache, and other sculpting materials to create three dimensional art.

Where the Wild Things Are (focus on nature/multi-discipline)

This course is about creating from nature. Students will use their senses to find art in nature, and then create their own instruments, music, paintings and sculptures from items found in nature and from recycled materials.

Preschool Picassos (focus on visual arts-drawing/painting/color basics)

Children will be exposed to the dynamics of black and white and two-dimensional media, while having experiences of seeing, visualizing and expressing themselves on paper. They will be able to experiment with various types of mediums such as finger paints, chalk, pencils, and more.

MOZ-ARTists (focus on performing arts-music/instruments)

These Mozarts will be introduced to and explore the world of playing instruments in a multi sensory and stimulating environment. Students will learn the fundamentals of playing the piano as well as other percussion and melodic instruments.

Free to Be Me (imagination based exploration/multi-discipline)

This class is all about imagination and cooperation. Learning to work with others, students will discover their own interests and passions in the arts. Each class, an "Imagination Box" will be opened and students will discover various media/materials/art based supplies.
